

SUPERVISOR
FULL TIME SEASONAL

16 January 2020

Competition # 20-003

The position

Our organization is seeking a highly motivated and well-organized individual to fill the position of Supervisor. This individual will report directly to the Operations Manager and will be responsible for the efficient and timely production of all products through multiple crushing and screening stages for export by marine vessel.

The individual

The person we are seeking will have completed post secondary diploma in engineering or a mining related field. Candidates who have a significant amount of knowledge and practical experience in day-to-day mining production will also be considered. Three to five years supervisory experience in an industrial setting, preferably in a large quarry or mining operation is also required. The successful candidate must possess a valid drivers license, have a strong commitment to safety and possess strong leadership and supervisory expertise. He / she must possess excellent written and spoken communication skills, appropriate computer skills and be able to demonstrate an ability to manage multiple projects simultaneously.

Salary: Commensurate with education and experience.

Qualified candidates are encouraged to apply in confidence by submitting an **Atlantic Minerals application** form (www.atlanticminerals.com "Careers Page"), proof of qualifications and the names of three supervisory employment references to:
